

Conference on
**Emergency Planning in Industries;
 Hazardous Waste Management;
 Safe Storage and Transportation
 of Petroleum, Petroleum Products,
 Natural Gas through Pipelines &
 POL Tankers**

September 8-9, 2011
 Kenilworth Hotel, Kolkata

Exhibitors

A two day Expo offers exhibitors an opportunity to network and exhibit their services, products and technologies. The exhibition will focus on the following:

- Hydrocarbon Processing Installation (Refinery, Gas Processing, LNG Re-gasification Installations)
- Pipeline Laying Infrastructure Companies
- Commercial Petroleum Storage Facilities & Terminals
- City or Local Natural Gas Distribution Facilities
- R&D, Technological Innovations, Engineering Designs, POL Tanker Manufacturers
- Safety Products, PPEs, Fire Protection, Fire Fighting Systems & Anti-Fire Chemicals
- State Disaster Management Authorities, Hazardous Wastes Management Units
- Industrial Automation System, Control and Instrumentation
- Safety Equipment and Gas Leakage, Monitoring & Detection Devices
- Rescue and Relief Equipment, Medical Device Companies
- Specialized Ambulances, DM-Medical Kit Manufacturers
- GIS, GPRS, Remote Sensing, Satellite Communication for Vehicle Tracking

National Disaster Management Authority (NDMA), Government of India was constituted in Sept, 2005 consequent to enactment of Disaster Management Act, 2005. Hon'ble Prime Minister of India is ex-officio Chairman of NDMA. NDMA, as per its inter alia mandate, has brought out National Guidelines on (i) Chemical (Industrial) Disaster Management (CIDM) (ii) MP & MCM (iii) POL Tankers; the objective of the guidelines is to strengthen prevention, mitigation and preparedness measures; minimize accidents; and set up an effective mechanism to respond to disasters.

West Bengal Pollution Control Board (WBPCB) is a statutory authority entrusted to implement environmental laws and rules within the jurisdiction of the state of West Bengal, India. WBPCB was constituted immediately after the enactment of the first major environmental legislation of the country, the Water (Prevention and Control of Water Pollution) Act, 1974. During its twenty-eight years of life, the Board tried its best to ensure proper implementation of the statutes, judicial and legislative pronouncements and to fulfill the needs and aspirations of the people for a cleaner environment.

PNGRB – Petroleum and Natural Gas Regulatory Board, India was established in 2007 subsequent to an Act of Parliament. The objectives of the board are to regulate refining, processing, storage, transportation, distribution, marketing and sale of petroleum, petroleum products and natural gas, excluding production of crude oil and natural gas. One of the functions of the Board is to regulate technical standards and specifications including safety standards. The Board has formulated Technical Standards and Specifications including Safety Standards for City or Local Natural Gas Distribution Networks, Regulations, 2008.

FICCI, an apex industry association, has organized several training & education programmes in all major industrial sectors in coordination with accredited Indian and global agencies. Disaster Management has been selected by FICCI to raise awareness of the industrial sector and of NGOs, District & State Authorities including Statutory Agencies as well as all the stakeholders in the community who are most vulnerable during disasters.

CHEMICAL (INDUSTRIAL) DISASTER MANAGEMENT

Conference on
**Emergency Planning in Industries;
 Hazardous Waste Management; Safe Storage and
 Transportation of Petroleum, Petroleum Products,
 Natural Gas through Pipelines & POL Tankers**

September 8-9, 2011
 Kenilworth Hotel, Kolkata

RESPONSE FORM

Conference on

Emergency Planning in Industries; Hazardous Waste Management; Safe Storage and Transportation of Petroleum, Petroleum Products, Natural Gas through Pipelines & POL Tankers

September 8-9, 2011, Kenilworth Hotel, Kolkata

I wish to participate as#

Sponsor Exhibitor Delegate

Name

Title

Company / Organization

Address

Pin.....Country.....

Telephone (with City code)

FaxEmail.....

Bank Draft/Cheque No*

DatedFor Rupees/US\$

Drawn on

in favour of FICCI, payable at New Delhi towards payment for registration fee# for conference / exhibition / sponsorship is enclosed.

Beneficiary Bank Details:

1. **Name & Address of Bank** United Bank of India, Overseas Branch, HS-32 Kailash colony Market, 1st floor, New Delhi 110048 (India)

2. **Name of Account** FICCI

3. **Type of Bank Account** SAVINGS

4. **Bank Account No. to which the amount to be transferred** 1412010031259

5. **SWIFT Code of Bank** BIC UTBINBDEL

6. **Service Tax Code** AAA CF 1282 E ST 001

7. **Pan No.** AAA CF 1282 E

Intermediary Bank Details:

1. **Name & Address of Bank** Standard Chartered Bank, New York

2. **Account No.** 3582021835001

3. **SWIFT Code** SCBLUS33

4. **Account Number of Beneficiary's Bank with Intermediary Bank** 3582021835001

If by Credit Card:

VISA MASTER AMEX

Name of the cardholder.....

Credit Card Number

Date of Expiry..... Date.....

Signatures

Conference on

Emergency Planning in Industries; Hazardous Waste Management; Safe Storage and Transportation of Petroleum, Petroleum Products Natural Gas through Pipelines & POL Tankers

September 8-9, 2011
Kenilworth Hotel, Kolkata

National Disaster Management Authority (NDMA), Government of India, Ministry of Environment & Forests, Government of India, Petroleum & Natural Gas Regulatory Board (PNGRB), West Bengal Pollution Control Board (WBSPCB), Directorate of Factories, Labour Department, Government of West Bengal and Federation of Indian Chambers of Commerce and Industry (FICCI) are organizing this conference.

The conference will provide a platform for exchange of information and technical know-how to the Indian chemical, petroleum, petroleum products & natural gas industry. Discussions will focus on ways to reduce on-site accidents.

Participants from various industries can share their experience and success stories in safely managing chemicals, petrochemicals for bringing down instances of grave Off-Site emergencies which may seriously impact on surrounding environmental conditions besides bringing in untold miseries in the neighborhood.

Who should Attend

Chemical, petrochemical, oil & gas industry because safety in manufacturing, export/import, transportation and storage of hazardous chemicals (HAZCHEM), petroleum, petroleum products & gases is dependent on a sound established framework and best practices.

All persons directly or indirectly involved in industry, isolated storages, container depots, warehouses, ports, transporting agencies (rail, road, maritime), industries having pipeline installations etc.

Primary emergency responders - fire prevention, protection agencies; medicos & paramedics; police, security companies; safety products, equipment, devices & PPE manufacturers; instrumentation, control and automation system organizations

Topics

- Upcoming Gas Infrastructure – East & North-East India
- Packaging & Labeling of Hazardous Chemicals in India
- Integrity Management System for Pipelines & City Gas Distribution (CGD)
- Emergency Response & Disaster Management Plan (ERDMP) in Receipt, Storage, Transportation of Petroleum Products & Gas
- City Gas Distribution – A Blue Print for East & North East India
- Emergency Planning, Management – On-site / Off-site/ Medical
- Emergency Drills & Mock Exercises – NDMA Initiatives
- Environment Pollution Control Requirements of Refineries, Petrochemicals
- Environmental Impact Assessment of Contaminated Site & Remediation
- Risk Analysis - HAZOP & HAZAN Studies for Chemical Industries
- Strategies of Control of Fire & Petrochemical Accidents
- Emerging Trends of Third Party Safety Auditing
- Designing for Tank Forms for Storage of Hazardous Goods and Petroleum Products
- Safe Transportation of LNG & Petrochemicals by Road
- Fatigue & Stress Management in Minimising Chemical Disasters

Industry Participants

- ▶ Oil & Gas, Refineries, Oil Exploration Units
- ▶ Petroleum, Hydrocarbon, Petrochemical Product Suppliers
- ▶ LPG, CNG, Compressed Combustible Gas Processing Unit, Distributor & Re-Gasification Installations
- ▶ Pipeline Laying Infrastructure Companies
- ▶ Iron & Steel, Foundries & Casting Industry
- ▶ Fertilizers, Pesticides, Insecticides, Pulp & Paper, Textile Industry
- ▶ Ordinance & Explosive Factories, Anti-fire Chemicals
- ▶ LPG, CNG, Other Compressed Combustible Gases Unit
- ▶ Inflammable & Toxic Gases Units – Cl₂, NH₃, Toluene, Benzene, H₂S, MIC etc.

- ▶ Isolated Storages, Gas Storages, Bottling Plants, Oil Terminals, Warehouses
- ▶ Port/ Dock Authorities
- ▶ SMEs Using, Manufacturing and Storing HAZCHEM
- ▶ POL Tankers Manufacturer, Container Depots/Carriers/Cargo/Logistic Companies
- ▶ Organisation Transporting Chemicals, Hydrocarbons through Road & Pipelines
- ▶ GIS, GPRS, Vehicle Tracking, Satellite Communication Companies
- ▶ Industrial Automation, Control, Gas Detection, Instrumentation Companies
- ▶ Safety, Security, Emergency & Healthcare Product Manufacturers, Suppliers
- ▶ Rescue, Relief and Rehabilitation Measure Providers

Participating Sectors from Outside The Industry :

- ▶ Regulatory Agencies, Emergency Responders - Police, Fire, NDRF, Coast Guards, Conservators
- ▶ Academia - Chemical Departments, Research Scholars, Professors and Experts
- ▶ Community Leaders, NGOs, Consultants, Media
- ▶ Hospitals, Trauma Centres, Medicos & Paramedics
- ▶ Fire Protection, Fire Fighting, Medical Primary Responders and other Agencies
- ▶ R&D, Innovative Technology Institutes & Laboratories
